Dear Dr Livia,

**‘3rd WHO Global Forum on Medical Devices’
International Conference Center (CICG), Geneva, Switzerland.
10 to 12 May 2017.**

WHO cordially invites you to attend the above-mentioned forum which will bring together interested stakeholders from governments, academia, health-care providers, professional and patient organizations, UN agencies, non-governmental organizations and medical technology industry to discuss medical devices in the context of the Sustainable Development Goals (SDG).
